

# Red Roller Flash

3W BLUETOOTH - TF CARD SLOT- USB PORT- FM RADIO-LED LIGHTS

NGS Roller Flash is a portable wireless Bluetooth speaker, rechargeable for smartphones and tablets. This speaker outstands for its great power and sound quality (3W) and an original set of led lights, with different colors. Thanks to its 1200 mAh long-life rechargeable battery, you can listen to music without external power for 4 hours. Bluetooth Speaker: Connect your phone or computer via Bluetooth and play your music with the best sound quality. External speaker: Connect NGS Roller Flash to an external audio source with the 3.5mm jack cable included and power the sound of your devices. Bluetooth Handsfree: Thanks to the built-in microphone you can use NGS Roller Flash as handsfree and talk comfortably with your phone or smartphone. NGS Roller Flash works with A2DP & AVRCP profiles which allow controlling the speaker from your Bluetooth mobile. You can turn the volume down/up, skip tracks and pause the music. You will be able to receive calls while using your Smartphone's Bluetooth connection thanks to its built-in microphone.

Finally it also includes USB, FM radio and Micro SD card input.
