Variable-output tailcap-switch LED flashlight

MARKET APPLICATIONS

Everyday Carry, Self-Defense, Tactical, Law Enforcement

M18 Striker UPC: 692654091201

MSRP: \$59.95

DESCRIPTION

The M18 Striker is a defensive adaptation of the M18 Maverick. With a strike bezel and simple user interface, this tool is the ultimate self-defense flashlight. Depressing the clicky tailcap switch instantly blasts 800 lumens with either momentary or constant on. An 800-lumen strobe paired with the 1/4" stainless-steel strike bezel offer last-resort defensive options for your protection. Powered by two CR123A, two RCR123A or a single 18650, the M18 Striker is perfect for concealed or every day carry to keep you safe in any situation.

M18 STRIKER

Variable-output tailcap-switch LED flashlight

FEATURES

- Two brightness levels from 150 to 800 lumens, plus a strobe mode through tailcap switch
