Full HD  
Video

Total Visual  
Clarity

Smart  
Detection

Two-Way  
Audio

Stay connected to your home, business and everything else you care about no matter where you are with mySight™. This elegantly designed **Wi-Fi video camera** takes only **60 seconds to set up** and allows you to **watch your children, babysitter, pets** and more in crystal clear **HD video** from any device. mySight™ uses bank-level encryption for streaming and cloud recording so you can always watch securely. Powerful sensors in the camera detect motion and noise, and send notifications to your device so you're always aware of what's happening even when you're away. Additional features such as **two-way audio, night vision, digital zoom and cloud recording** make mySight™ a truly versatile camera for safety, security and peace of mind.

## Easy **60-Second** Setup

Download the free Ivideon app and sign in. Scan the QR code on the app with the mySight™ camera to connect to your Wi-Fi network automatically.

## Secure Cloud Recording

Save your most important moments. An optional cloud recording service allows you to save live footage to a secure cloud server for later viewing, clip creation and video sharing.

## Full HD Video

mySight™ streams live video in full HD 720p, allowing you to watch your home or business in crystal clear quality. Check in at any time from any device.

## Total Visual Clarity

Built with a 120° field of view, mySight™ lets you view an entire room all at once. Focus on distant objects with the 4x digital zoom, and watch even when it's dark with night vision.

## Motion and Noise Detection

Intelligent sensors allow mySight™ to detect motion and noise, and then alert you by sending notifications to your mobile device or email.

## Two-Way Audio

Speak to your children, babysitters, friends and pets with mySight™. The built-in speaker and microphone allow you to communicate directly with anyone within the camera's view.
