

AMPHIBX+ LARGE WATERPROOF ARMBAND

(iPhone 7, 6, 5, Samsung and Android Phones.)

TECHNOLOGY AND BENEFITS:

- **Waterproof Armband Made to Surf:** The Amphibx+ Armband will protect your Smart Phone while you swim, surf or paddle.
- **Phone / MP3 Size:** Max. Height: 5.44"/138mm, Max. Width: 2.64"/67mm. Fits iPhone 7 (with headphone adapter), 6/6s, iPhone 5/5s/5c, iPhone SE, iPod touch, many Samsung and Android phones. Does NOT fit iPhone 7+ or iPhone 6+ size.
- **100% Waterproof:** Precision engineering of the patented LatchTight locking closure and SealTight headphone connector provide a secure seal up to 12/3.6m underwater. Waterproof Rating: IPX8. Safe for the pool, fresh and salt water.
- **Easy to Use:** Quick and simple to load, the ClearTouch window allows for full function of touchscreen, camera and button features giving you functional protection in and around water.
- **Light and Breathable:** A breathable Velcro strap and the StableFit buoy create a comfortable and secure fit in or out of the water. This case sits slightly off the arm with minimal skin contact, allowing for air circulation without compromising fit during activity.
- **Versatile:** Adjustable Velcro armband fits most arm sizes. Remove the armband from the sturdy D-rings and add the Amphibx waist belt to strap it on your waist.

(Does NOT fit iPhone 6/7 PLUS sizes.)

Waterproof Headphones sold separately.
Recommended Headphones: Surge + or Surge SportWrap +
Recommended Accessory: Waist Belt

INTERVAL+ WATERPROOF CASE

TECHNOLOGY AND BENEFITS:

- Waterproof case for iPod Shuffle with integrated headphones. Over 7 years the Interval has been the best selling waterproof iPod case. Finally swimmers can have the same advantage of training with music that dry land athletes have enjoyed for years!
- Made for the iPod shuffle: Designed for the square (4th, 5th and 6th gen.) iPod shuffle. (iPod Shuffle is not included). Easy to use, push-buttons that align with the iPod button controls for playback and volume control in the water or out.
- 100% Waterproof: Submersible to 12/3.6m underwater. Waterproof Rating: IPX8.
- Developed for Swimmers: Integrated goggle loops make it easy to attach and remove the case from almost any swim goggle. Short headphone wires make it convenient to contain your personal sound system entirely on your head, keeping your arms free of wires.
- Personalized Fit: Includes five sets of Elastomer earplugs (XS-XL) and one set of "Tree Tip" earplugs. Find the size that's right for you to ensure headphones stay securely in place while swimming.
- Integrated Surge Headphones: Integrated into the case, the Interval features bass amplified Surge+ headphones. Ergonomic sheared shape sits flush with the ear and is designed to promote proper alignment of the earbud with the ear canal for superior sound and fit, + and less drag in the water.
- Improved Bass Amplified Sound: The latest waterproof technology delivers improved bass quality, while sound-isolating, watertight earplugs provide warm sound and dynamic bass response powered by Surge's waterproof 8mm neodymium drivers.

MULTIPLE SIZE EARBUDS INCLUDED:

SURGE SPORTWRAP+ WATERPROOF HEADPHONES

TECHNOLOGY AND BENEFITS:

- Combining the stable fit of a behind-the-neck headphone with the sound quality of an in-ear headphone, Surge Sportwrap is designed for high impact, vigorous activity in or out of the water.
- 100% Waterproof: H2O Audio waterproof technology allows headphones to withstand heavy perspiration, rinsing after active use, and submersion to 12'/3.6m underwater for an unlimited amount of time. Waterproof Rating: IPX8.
- Personalized Fit: Includes five sets of Elastomer earplugs (XS-XL) to ensure a secure and comfortable fit while paddling, running, and working out.
- Hydrodynamic Design: Ergonomic sheared shape sits flush with the ear and is designed to promote proper alignment of the earbud with the ear canal for superior sound and less drag in or out of the water.
- Improved Bass Amplified Sound: The latest Surge+ waterproof technology delivers improved bass quality, while sound-isolating, watertight earplugs provide warm sound and dynamic bass response powered by Surge's waterproof 8mm neodymium drivers.
- Sportwrap Neckband: Ergonomic neckband actively manages the headphones coiled cable and delivers a stable fit. Cable length: 24" with no stretch and fully extended 50"
- Sports Performance: Precision engineered and individually tested to deliver high quality fit, function, and durability for long-lasting performance.
