

Combining high-tech and fun with simple and original products that can be used in everyday life. This is the core philosophy of Tribe, young and fresh brand that collects the preferences of all age public.

Tribe has reinvented USB flash drives, turning a plain peripheral device into a complete gadget, playful and lively. Always new USB collections that depict movies and cartoons characters as well as funny animals. Plus, Tribe offers desk displays, fast

deliveries and an extremely likeable product in order to facilitate and support its retailers' activities.

See all the collections and choose the one that best suits your shop. And in case you have doubts, Tribe's team is at your disposal for any information!

STAR WARSM

8GB May the Force be with you

Star Wars USB flash drives collection

Eight of the most famous
characters of the Star

Wars saga, made out of
soft rubber with exception-
al attention to detail. The
new Star Wars USB flash
drives by Tribe have an 8

GB memory capacity and
an additional gigabyte of
online storage for automa-
tic backups.

the SIMPSONS™

8GB Eat my shorts!

The Simpsons USB flash drives collection

The Simpsons USB flash drives by Tribe are made

in soft rubber and have a memory capacity of 8 GB. An included software allows you to access 1 extra GB online, which can also

be used to automatically back up the contents of the flash drive.

HELLO KITTY

4GB

The most famous kitty in the world

Hello Kitty USB flash drives Collection

Hello Kitty collection by
Tribe is composed by 7

soft rubber characters with
an exclusive 3D design.
Its 4 GB memory capacity
include a software that
allows to have 1 extra GB
online, which can also
be used for scheduled
backups of the flash drive's
content.

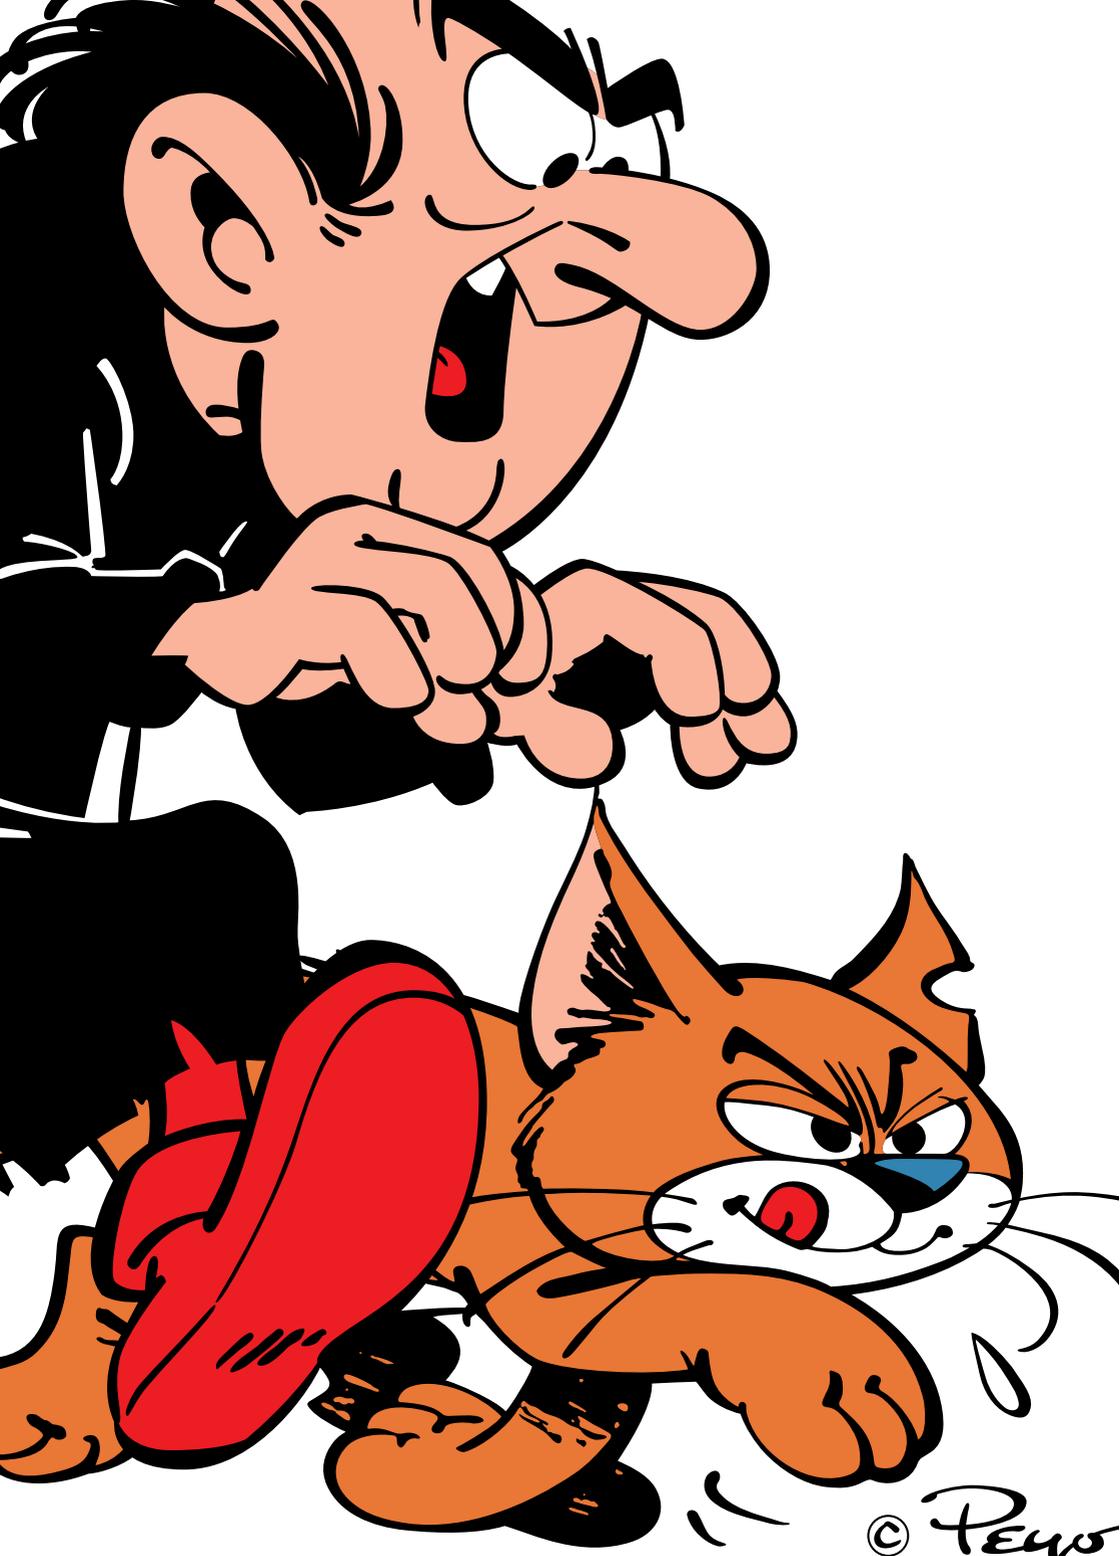

8GB I Wanna Rock'n'roll All Nite

**Kiss Special Edition
Hello Kitty Collection
USB flash drives**

I Was Made for being
loved by You, baby! Hello
Kitty USB flash drives
- Kiss Special Edition
of Tribe derive from the

combination of the sweet
and gentle soul of Hello
Kitty and the wild world of
the colourful rock band of
the 70s.

the SMURFS™

4GB Have a Smurf Day!

The Smurfs Collection USB Flash Drives

La la la-la la la, Sing a happy song! The Smurfs

flash drives are made of soft rubber and with a 4 GB memory capacity. They are a great Tribe's classic; so much so that

the first extremely successful series was followed by a second, launched a few months ago and still very much sought.

4GB Get the Buzz on Honey Bees

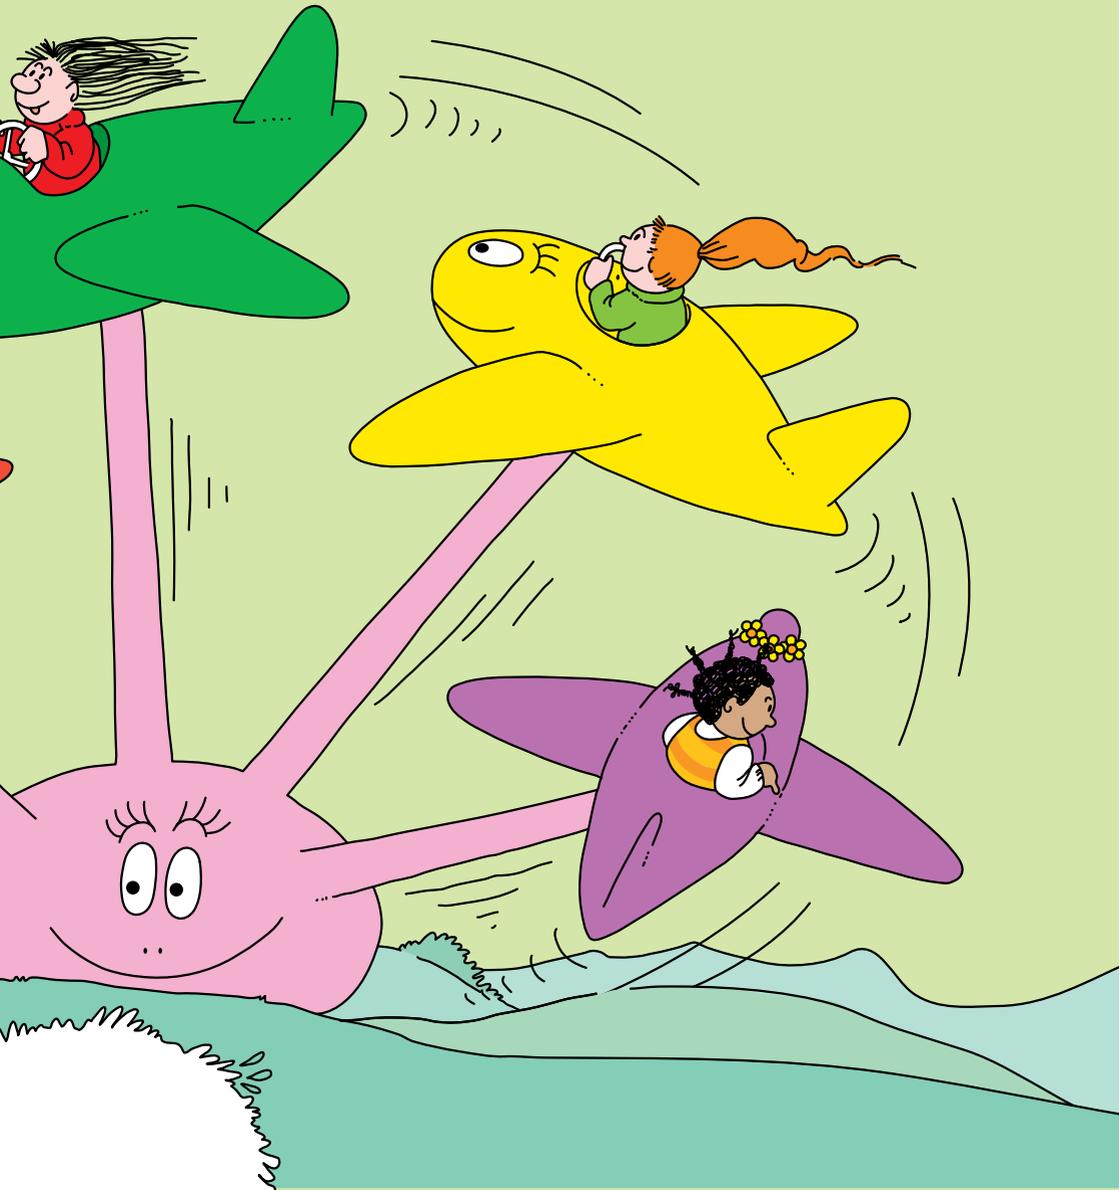

Maya the Bee Collection USB Flash Drives

The fun cartoon character bee is the protagonist of

a new 3D USB flash drive collection that conjures up the adventures with which children have been growing up ever since the

80s. The perfect gadget and gift for any age, with a 4 GB memory capacity and great attention to detail.

4GB Clickety Click Barba Trick

Barbapapa USB flash drives collection

The Barbapapa were born in France in the

1970s as characters of a comic strip and then became TV cartoons just a few years later. Tribe has reproduced four of the

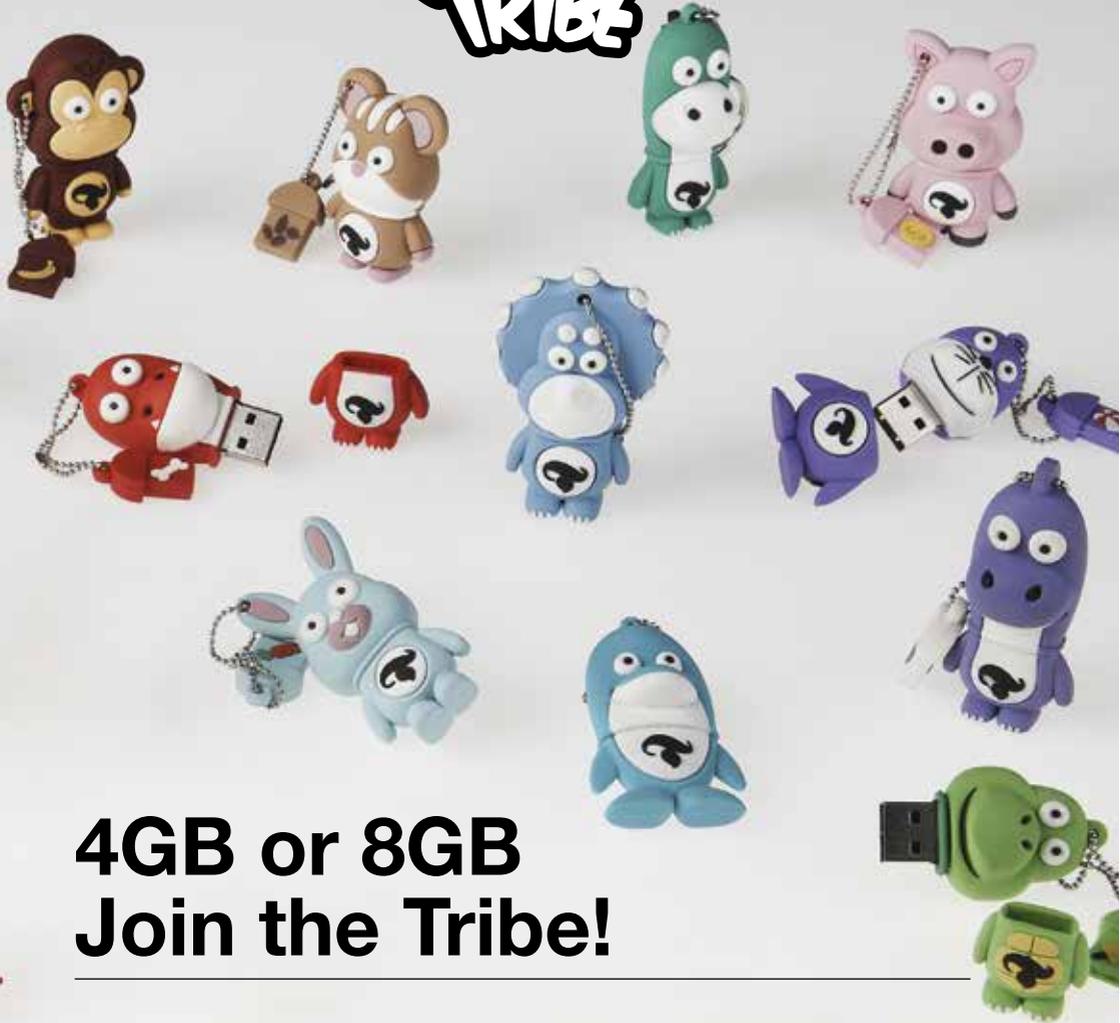

family members in a 100% original collection of USB flash drives provided with 4 GB memory.

TOONSTAR™

4GB

TRIBE

4GB or 8GB Join the Tribe!

Tribe Originals Animals USB Flash Drives

There is room for everyone in the Tribe village: chameleons, tigers, cana-

ries, cows, and so on and so forth! Here is the 7th historic collection of Tribe USB flash drives, which is still very much sought. Tribe Originals Animals

flash drives have a 4 or 8 GB memory capacity, depending on the model, and are a fun and original gift for all ages.

Rabito Stud

Rabito Cable Holder

Rabito Cable Holders:
your tidy glam desk!

Now it's time to go
and conquer desks and

tables, with a well-defined
objective: keeping your
cables untangled and tidy,
with just a little touch of
creativity and irony.

Rabito Wamy

**Rabito Wamy: the warm
iPhone case for your
winter**

It's time to change sum-
mer wardrobe to winter
even for Rabito, the bunny
iPhone cover. Your scarf
and gloves do not fit with
your shining and colorful

iPhone case? Now you
can choose Rabito Wamy,
a warm felt envelope that
can protect your mobile
with style and a unique
look.

Rabito Galaxy S III Cover

**Rabito Bling Bling for
Samsung Galaxy S III**

Rabito is now available
also for Samsung Galaxy
SIII. Bunny ears, pompom

tail and three colors, so
that your new smartphone
will lack for nothing.

Rabito iPhone Cover

Rabito is the only accessory your smartphone is still missing: bunny ears

and pompom tail, a hint of extravaganza to show off every day.

Wanna be a friend?

maikii. retail division

What turns a plain smartphone cover into the object of desire of thousands of young burgeoning fashionistas? A very simple yet genius idea: transforming a case into a fashion item, a cutting-edge accessory. That's how Maikii Retail Division's offers for the mobile phone market, with its brands Rabito and Oblige, were born.

Rabito and Oblige have in common the same femi-

nine soul and both make your phone an accessory that you can proudly pull out of your bag and flaunt.

Maikii Retail Division offers low minimum orders and fast deliveries and focuses on the constant search of the latest and most original products on the market paying careful attention to details and packaging, so that you can make them more and better visible in your store.

See all the accessories

and available options: Maikii's team will be at your complete disposal to clear up your doubts and give you all the necessary information.
