## **ARE YOU READY TO ROCK OR BURST?**

AC/DC released their new album, Rock or Bust, in December 2014, opened this year's Grammy's telecast in February 2015 and rocked Coachella in April 2015. The Rock or Bust tour began in Europe on May 5th and concluded on July 25th. The North American leg of their tour started at Gillette Stadium in Foxborough, MA on August 22nd and will end September 28th in Los Angeles. Approaching the end of the year they will return to their home, Australia, for the first time in over 5 years, where they will perform their way through the five major capital cities. The Rock or Bust tour will close with two shows in New Zealand on December 12th and 15th.
