

Wanderer, Jäger und Armee... die WARRIOR X ist nicht nur für Profis - Olight WARRIOR X

Brandneu - die neue Warrior X von Olight !!

WARRIOR X

The Warrior X produces
2000 lumens max or 300 lumens.
throw 560 meters and
can endure harsh 2-meter drops.

You can attach a remote switch and
charge magnetically.

The vibrating power indicator
reminds you without the need to glance at your light.

Powerful performance:

Using a 15A high-discharging 3000mAh 18650 lithium battery, the Warrior X produces a 2,000-lumen output and 560-meter throw allowing you to see even during heavy rain or foggy weather.

Heavy-duty build:

Thick aluminum alloy body and a 3mm tempered glass lens allows the Warrior X to endure a harsh 2-meter drop test without even a cracked lens.

Quite to Conceal:

Wear-resistant metal tail switch built for environments where stealth is key.

Green & Rechargeable:

Charge directly from the tailcap via the Olight MCC USB charging cable to avoid frequent battery change.

Wanderer, Jäger und Armee... die WARRIOR X ist nicht nur für Profis - Olight WARRIOR X

Easy Operation:

soft and deep press the tail switch to easily change between 2 output levels

The world's first tactical flashlight with vibrating power indicator:

Vibration alert if the battery is low anytime, anywhere (power≤30% vibrate once every 5 minutes; power≤10% vibrate once per minute; power≤5% vibrate 6 times per minute).

The world's first tactical flashlight with a magnetic remote pressure switch allowing you to switch easily between handheld and weapon mounted

A wide array of available accessories: including a silicon grip, magnetic weapon mount, picatinny rail mount, lanyard, pouch, MCC magnetic charging cable, magnetic remote pressure switch, USB car charger, and colored filters.

Two optional lumen configurations: ideal for hunting, law-enforcement, and household applications.(default program: 300 & 2000 lumens for hunting; 2000 lumens & Strobe for law enforcement)
