

## Familienfest zum Erfolg ... man muss nur etwas Druck machen - Agfa Photo Realipix

**Weit über 85% aller Fotos**, das waren 2017 über 1,2 Billionen, werden mit Smartphones geschossen.

Danach versinken sie im digitalen Nirvana oder in Social Media Portalen, wo sie nach 10 Sekunden nicht mehr interessant genug sind.

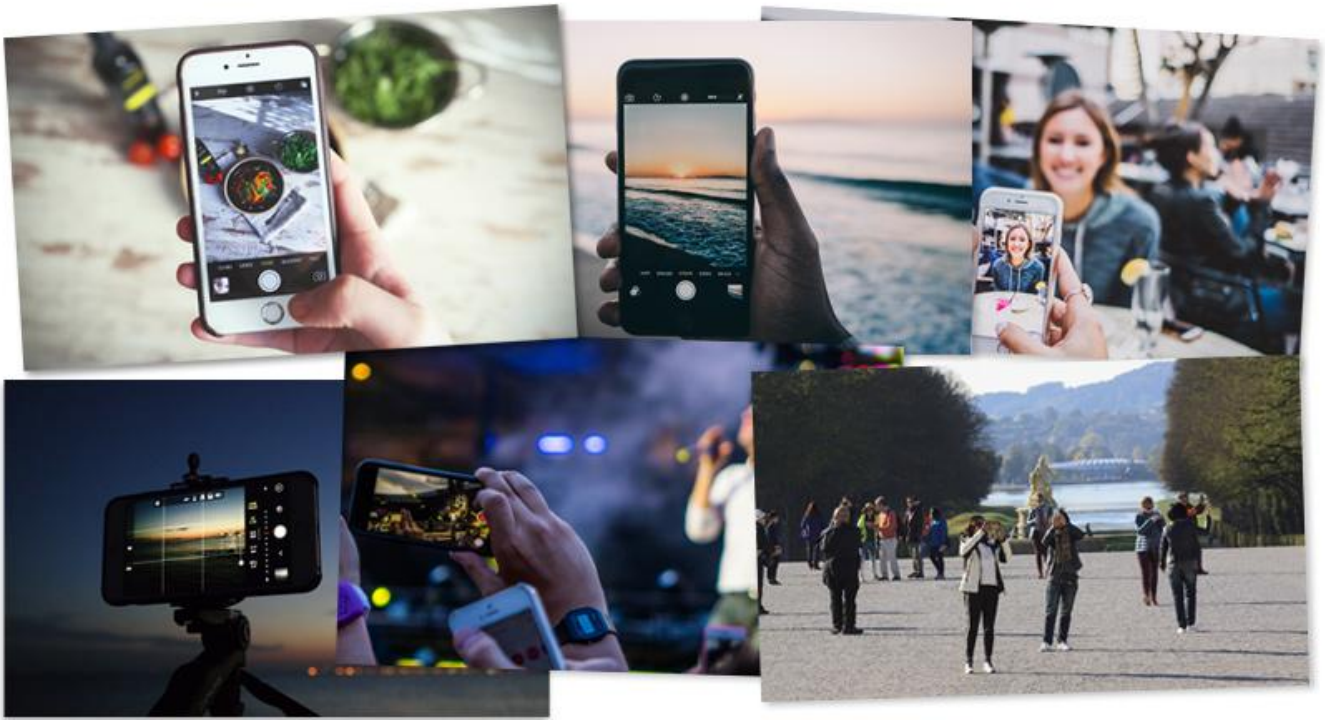

**Wie schön ist es doch wenn sie gedruckt sind !!**

Bei Familienfesten - Weihnachten steht schon wieder vor der Tür :- ) - haben alle Spaß, wenn man gleich Fotos ausdrucken und verteilen kann.

Und dann gibt's noch eine Weihnachts-Aktion mit Rückvergütung:
