Ulla

Drink more water.

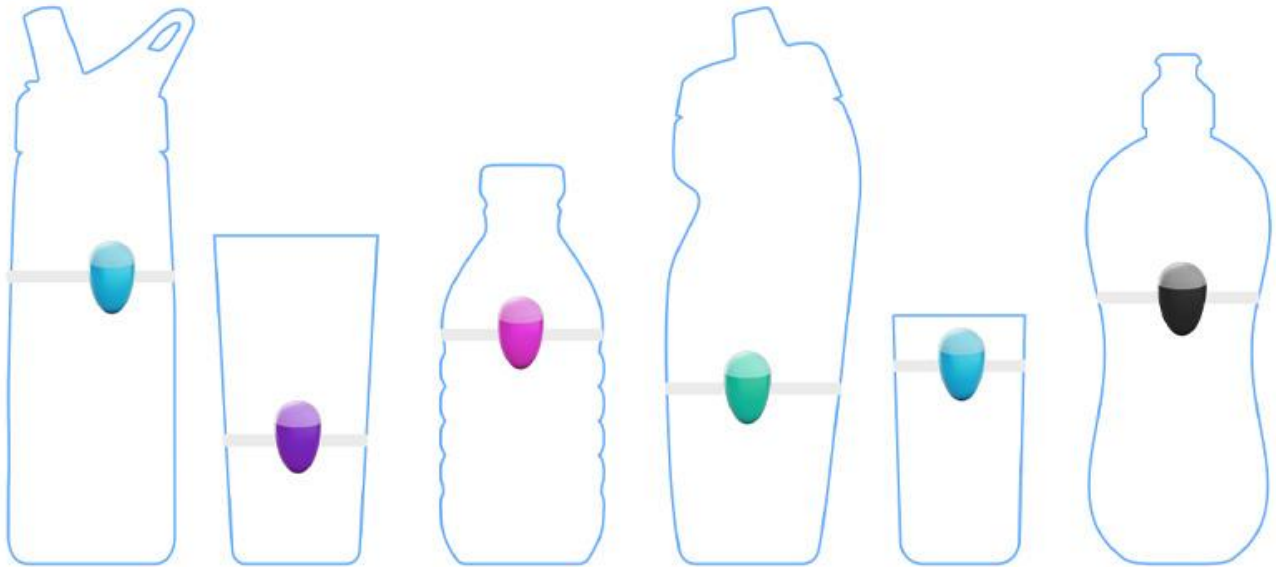

Regular hydration is the easiest way to feel good and healthy

- ➡ Improves concentration
- ➡ Fights fatigue
- ➡ Reduces headaches
- ➡ Boosts metabolism
- ➡ Flushes toxins
- ➡ Raises energy levels
- ➡ Helps with weightloss

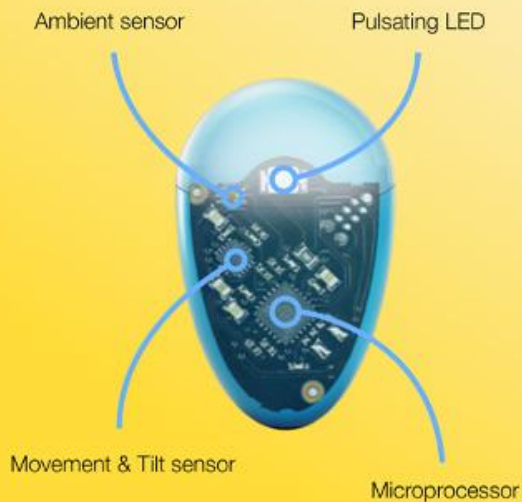

Ulla makes your water bottle smart.

With its silicone band, Ulla is easily mounted on water bottles of all sizes and materials in seconds. Ulla can also be attached to ordinary glasses and mugs.

100% automatic. Ulla works for you.

Ulla's primary virtue is that it's simple to understand and easily adoptable to a busy lifestyle. For this reason Ulla doesn't have any buttons, no hard-to-understand settings and is not connected to a mobile app. There's no charging needed, as its battery lasts more than 6 months. With all this features, Ulla was truly designed to change users' habits without consuming their precious time.
