The advertisement features a large image of the Promate Bonsai 4-in-1 Charging Station. The station is a sleek, black, modern design with a white base. It is shown charging an Apple Watch on the left, a smartphone in the center (displaying '85% Charged'), and another smartphone on the right. The background is a light-colored, textured wall with a small potted plant. Text overlays include 'PROMATE Innovation and Excellence' in red and black, 'BONSAI' in white on a red background, and '54W HIGH SPEED WIRELESS Charging Station' in blue and black. A smaller inset image shows the station with a smartphone and a watch, with text: '4-in-1 Charging', 'Charge your everyday accessories with dedicated wireless charging for your Apple Devices and an additional 24W PD Port', and icons for 'Apple WATCH' and '4in1'.

**Charge up to 4 devices simultaneously with Bonsai.**

This wireless charging station tidies your desk and bedside table by eliminating the need for wires.

The bold, contemporary design fits flawlessly in any space, from your office to the living room.

No more tangled data cables, no need for various charging adapters, no need to worry about insufficient sockets, this 4-in-1 wireless charging station is the ultimate all in one charging solution.
