

USB-C Wall Adapter with 60Watt Power Delivery and Quick Charge 3.0

PowerCore-60

White

**TRAVELLERS
CHOICE**
EXPERIENCE THE UNIVERSE

PowerCore-60 has a Qualcomm Quick Charge 3.0 and a USB Type-C charging port which means you can charge 2 devices at the same time. Its 60W fast charging functionality allows you to quickly charge your devices and save ample amount of time instead of leaving them for hours together. It also protects your devices from overcharging and short-circuit. With Smart IC functionality, it recognises the attached gadget and automatically delivers the correct amount of power.

— Features —

-  PowerCore-60 USB Hub features a dedicated USB-C™ Power Delivery port capable of an impressive 60W power
-  Charge your USB chargeable devices 4X faster than standard chargers
-  Perfect for frequent travellers, PowerCore-60 features interchangeable multi-regional plugs
-  Its USB output supports and charges all devices that are USB powered.
-  It also protects your devices from overcharging and short-circuit. One can never be too careful about their expensive devices.
-  It recognises the attached gadget and automatically delivers the correct amount of power

18W High-Speed Wall Charger with Power Delivery & Quick Charge 3.0

PowerCube-2

Black

White

PowerCube-2 is your perfect home charger with two charging ports- USB-C and Qualcomm Quick Charge 3.0. The USB-C charging port boasts 18W Power Delivery to charge your devices at high speeds, saving a lot of time. With adaptive charging technology, the charger provides optimum charge to the device connected. Its universal compatibility and sleek, portable design make it your go-to charger.

— Features —

-  Charge your USB-C compatible device with 18W power delivery to get 70% faster charging speed than standard 5W charging.
-  The USB charging ports adapt according to the device connected for the safest maximum output per port.
-  The ultra-fast charger boasts Qualcomm QC 3.0 port, which means you get 6.5X faster charging for all your devices.
-  PowerCube-2 is compatible with all USB-powered devices.
-  This handy charger is reliable and protects your device from overcharging and short-circuit.
