

Wenn Sie **NACHTS** sehen wollen, wer auf der anderen Seite der ca.1,3 km langen Brücke steht, brauchen Sie nur eine **T1 von Speras**.

Speras ist ein neuer Taschenlampen-Player am Markt mit super Qualität:
Und die T1 hat gerade mal eine sensationelle Leuchtweite von **1300 Meter !!**

Break the Darkness, Extend the limits

T1

Super Beam Distance Beyond Your Limits

SPERAS T1 has a super beam distance of 1300m and a high performance of 1200lm, a customized OSRAM LED, a synchronous step-down circuit with high efficiency up to 92% and a special optical system. It is an excellent long-rang flashlight.

The tail button has mode memory function and can switch between ON, momentarily-ON and quick strobe functions. LED breathing function with 7 changing colors gives you a different experience.

T1 is suitable for the police and military, law enforcement, search and rescue, hunting and other outdoor activities.
