

LIGHT STAR

HIGH PERFORMANCE LED HEADLAMP

Designed for hiking, climbing, riding, searching, caving and everyday activities

S.O.S.

FL1 STANDARD

The Light Star is a high performance LED headlamp, winner of the Silver Award at the Outdoor Industry Awards in 2013. The Light Star has an on and off 'flickr switch' on the flip-top cover, which delivers an easily adjustable light at different angles and brightness. There is also a side button allowing further adjustment of the brightness, enabling you to light things up from different angles. A real asset to any expedition and a great way to enjoy the outdoors even more!
