

## AW133 GRILL RIGHT Bluetooth™ BBQ Thermometer

### Enjoy dual cooking convenience

Time to fire up the patio barbeque and invite friends over to tuck into tasty burgers, chicken, ribs, sausages or steaks?

Empowered with handy, high-tech dual probe\* cooking convenience and app connectivity, our Bluetooth BBQ thermometer is a must. Just tell the unit or the smart phone app what meat you're preparing via the user-friendly interface, and the colour-changing display and your smart device will alert you when the meat is perfectly cooked.

Best of all, you can even share cooking hints and recipe ideas on social media such as Facebook or Twitter via the corresponding mobile app.

### Display unit features

- Data viewable from main unit or smart device via Bluetooth® Smart connectivity
- Supports dual probe\*
- Color changing display & sound alert on main unit
- Measure meat & air temperature
- 3 Modes: meat type / countdown timer / target temperature
- Water splash resistant
- Touch key

\* Package comes with one temperature probe only

**Gross weight per unit:** 0.4kg

**Gross weight per carton:** 17.5kg

**Power consumption:** 2 x AA

## **AW133 GRILL RIGHT Bluetooth™ BBQ Thermometer**

### **Product benefits**

#### **Forget staring at the stove**

Precise data regarding meat's temperature and cooking status is easily visible from your smart device app via Bluetooth® Smart Technology.

#### **Satisfy your appetite in three modes**

Customizable cooking modes including meat profile, target temperature & countdown timer make preparing your favorite recipes easy. The corresponding app also lets you easily access your preferred modes of cooking according to your previous cooking history.

#### **Convenient color-coded cooking status indicator**

You can ensure your friends are not being neglected during cooking time with our 3-colour cooking status indications from the unit as well as sound and vibration alerts from your smart device.

#### **Cook different meats simultaneously**

When supplementing the standard single probe with an optional second probe, the two-slot unit enables the simultaneous preparation of two different meats with separate cooking requirements.

#### **Stylish touch key design**

The elegant touch key design means no grease or food particles can get inside and damage or destroy its inner workings.

#### **Share cooking hints via social media**

Share handy hints, recipe ideas and even text-integrating photos of dishes with friends on Facebook or Twitter with the corresponding mobile app.

### **Target Audience**

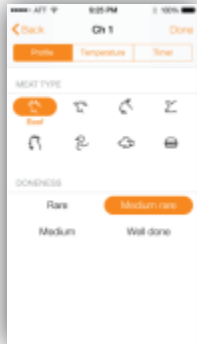

- **Hospitable families** who adore throwing parties and don't want to let cooking get in the way of entertaining the guests they invite over.
- **Busy moms** who want to spend more time with their kids instead of staring at the oven.
- **Outdoors lovers** who need a handy, compact tool for when they go on hiking and camping trips.
- **City dwellers** who love cooking and sharing their cooking tips with others.
