

Precise time keeping in a big style!

With a large LCD display for easy & clear viewing at distance, this extra large wall clock with weather forecaster is a brilliant idea for the home or office. Tri-band radio-controlled (atomic) clock offers precise time-keeping that never needs adjusting for Daylight Savings Time. It also provides a weather forecaster predicting the weather for the next 12-24 hours with easy to read weather icons helping you better plan your day.

Features

- Weather Forecast
- Indoor & outdoor temperature
- Tri-band radio-controlled (atomic) clock (EU, UK, US)
- Time, weekday & calendar
- Detachable desktop stand
