

GPO RETRO

THE OFFICIAL MANUFACTURER OF CLASSIC, VINTAGE & RETRO TECHNOLOGY

PRODUCT CATALOGUE

MISSION & VISION

Retro design inspires everything we do, but our love of modern innovation powers us. Our products are inspired by retro, but created with care.

A fresh and innovative addition to the retail market, ProTelX was established in September 2009 with the aim of designing, developing and manufacturing high quality consumer electronic goods.

GPO are specialists in bespoke manufacturing projects to meet specific needs to classic, yet contemporary retro inspired consumer goods.

This isn't about recreating retro designs, instead creating them authentically while injecting them with modern inspiration and vitality. Each design is inspired and fuelled by a desire to innovate. It reminds us of the balance, and the core value of GPO driven by a love of the past but bringing it bang up to date.

These products are something you choose to add colour to your life, you want one because it's nostalgic and cool. You keep it because it's fun and beautiful.

BERMUDA

There was a time when the record player was the centrepiece of any room. That sixties vibe was part of a vibrant youth culture where your vinyl played the soundtrack to any party.

The GPO Bermuda is for dancing queens and music hounds. It's a classic style designed for the very modern music fan. In fact, it's all about versatility.

First, decide whether you want to use the optional legs or not. Turn your record player into a freestanding music player. There's even a carry handle to make it portable.

Also the unit allows all of your vinyl records to be recorded onto a USB stick at a click of a button.

Features:

- Record your vinyl to a USB stick
- Retro-styled full-size LP turntable with MP3 and USB playback
- Fully automatic return tone arm
- Plays 33, 45, 78 speed records
- Built-in dynamic full-range stereo speakers
- Optional legs for a freestanding record player
- Compatible with the GPO Westwood speaker and GPO Westwood Mini amplifier
- Weight: 6.94kg
- Dimensions w/out legs: 21.5 x 38.2 x 36.8cm
- w/legs: 65.3 x 38.2 x 368cm
- 1 year warranty
- Available in Red and Cream, Blue and Cream or Grey and Cream.

AMBASSADOR

Bring music to you, wherever you are

With dapper style, but a very modern touch, the GPO Ambassador is our first turntable with Bluetooth connectivity and a rechargeable battery. First check out that wardrobe; with either a Green and Black, or Cream and Tan two tone finish, the Ambassador has a classic finish with leatherette binding and brass-styled corner protectors.

This product also comes with a USB stick so that you can record your vinyl records on the go as well.

The briefcase style record player features a three speed turntable, auto stop function, with built in speakers and manual pick up arm.

The unit has also been built to make it easier to play music wherever you are. With a rechargeable battery the turntable will play on the go while the Bluetooth connectivity works with any Bluetooth speaker.

Features:

- Portable briefcase turntable player, enjoy music anywhere, anytime!
- Bluetooth connection with any Bluetooth speaker.
- Rechargeable battery up to 2.5 hours playback
- Built in twin stereo speaker
- Analogue output: RCA connectors L/R
- Digital output: USB port
- Plays 33, 45, 78 speed records
- Record your vinyl to a USB stick (supplied)
- Included are power supply and USB stick
- Built in RCA audio out to allow additional speakers to be connected
- Compatible with the GPO Westwood speaker and GPO Westwood Mini amplifier
- Weight: 2.5kg
- Dimensions: 35.5 x 27.5 x 13.5cm
- 1 year warranty
- Available in Green and Black and Cream and Tan.

CHESTERTON

A turntable is meant to sit pride of place, in the centre of a room. To be able to do that, it needs to be beautiful.

At GPO we believe form is just as important as function. The GPO Chesterton, with its vintage style is a vinyl turntable that isn't just beautiful to look at, it also sits right at the heart of your music collection.

The Chesterton is our first turntable that features both a CD player and a cassette player. The unit also allows you to record all of your music onto a USB stick. Also underneath the wooden lid is a three speed vinyl turntable with playback. The vintage style grill hides built in speakers and an FM radio with analogue tuning. Included are two jacks, one for Aux In which allows you to use an external speaker and another for enjoying your music with headphones.

Features:

- Plays 33, 45, 78 speed records
- Turntable
- Vinyl Playback
- CD player CD/CD-R/CD-RW/MP3 Playback
- Cassette with encoding features

STYLO RECORD PLAYER

If you have a record collection or just want to dip your toe into the vinyl scene then try our GPO Stylo.

Launched in October 2013, the Stylo is GPO's first "back to basics" record player. The turntable has a shiny piano finish and is available in Red and Black. This record player is compatible with all record variants: 33/45/78. It features two built-in high quality speakers with play/pause lift arm. A blue LED pilot lamp illuminates the volume and rotating power controls.

Features:

- Plays 33, 45, 78 speed records
- Ruby stylus
- Aux in 3.5mm for MP3 connection
- Aux out 3.5mm for headphones/external speaker connection
- Built in stereo speakers
- Manual pick up arm
- Volume adjust with blue LED indicator
- Built in RCA audio out to allow additional speakers to be connected
- Compatible with the GPO Westwood speaker and GPO Westwood Mini amplifier
- Weight: 2.3kg
- Dimensions: 33 x 28 x 11.5cm
- 1 year warranty
- Available in either Piano Black or Red Finish.

JIVE

Not just a record player.

With a dash of 70s flare, this product is perfect for playing all musical merchandise on one unit. This product also possesses the ability to record from vinyl/CD to USB or SD card. As well as its Smart, White finish the Jive also has a clear lid and comes with a remote control.

Not only can this product boast higher quality of sound, but more importantly the experience too! Why not try your favourite Jazz or Rock album out whilst the weighted arm with chrome detailing gives perfect playback. No matter what you listen to the equaliser within can handle it with ease.

Features:

- Plays 33, 45, 78 speed records
- FM stereo radio
- CD/MP3
- Transfer your old vinyl records directly to your USB stick
- Digital LCD display
- Audio line out RCA
- Remote control
- Built in RCA audio out to allow additional speakers to be connected
- Compatible with the GPO Westwood speaker and GPO Westwood Mini amplifier
- Weight: 3.8kg
- Dimensions: 42 x 18 x 30cm
- 1 year warranty.

EMPIRE

Classic, stylish with a vintage feel, the GPO Empire is designed for the music lover who wants a record player to be front and centre in their home.

With a Wooden and Black matte design and cloth woven speakers built in, this is a vinyl player for those who like their sounds with a side order of style. There's nothing old and tired behind those beautiful brass dials, instead the Empire is fitted with a high quality audio system. Just another example of GPO's classic combinations, modern kit fused with retro design. A three speed turntable is just the icing on the cake with a built in analogue radio. Just sit back and enjoy the music, whatever the format.

Features:

- Cloth woven, built in speakers
- Analogue radio dial
- Wooden and matte Black design with brass finish
- Plays 33, 45, 78 speed records
- Auto on/off option
- Manual pick up arm
- Option for AUX
- Headphone jack
- Built in RCA audio out to allow additional speakers to be connected
- Compatible with the GPO Westwood speaker and GPO Westwood Mini amplifier
- Weight: 2.4kg
- Dimensions: 32 x 27 x 15cm
- 1 year warranty.

JAM

Reigniting the mods and rockers culture of the 1960's.

This product is perfect for anyone who is a fan of the mods and rockers culture of the 60s. A traditional, yet contemporary pattern combined with a Clear lid and chrome finish means that this beauty will fit in nicely anywhere. This product also possesses the ability to record directly from player to computer via USB cable, with software provided.

Features:

- Unique Union Jack print
- Record to PC through USB cable
- Plays 33, 45, 78 speed records
- Auto stop function
- Manual pick up arm
- RCA line out for extra speakers
- Compatible with the GPO Westwood speaker and GPO Westwood Mini amplifier
- Weight: 2.8kg
- Dimensions: 43.5 x 42 x 16.3cm
- 1 year warranty.

RYDELL RADIO

The Rydell is for 50s lovers, whether it's a memory or a fashion you love.

A four wave radio which isn't about style over substance, either. Choose from either an Analogue four wave with MW, LW, SW and FM or a DAB radio meaning you have more of a choice when it comes to your favourite stations. Available in Black and Cream you can plug it into a mains socket or pack it with a battery and sling it over your shoulder with your school bag.

Analogue:

- 1950s style retro radio
- Carries MW, LW, FM and SW frequencies
- Portable
- Rotary dial buttons for tone & volume settings
- Easy to read rotary tuning dial
- Mains or battery operated (batteries not included)
- Weight: 1.5kg
- Dimensions: 31 x 7 x 27cm
- 1 year warranty
- Available in Black and Cream.

DAB:

- DAB+/DAB band III and FM digital radio
- 20 radio stations pre-set (DAB 10/FM 10)
- Automatically sets the clock via DAB
- Alarm function wake up to buzzer or radio
- Sleep function
- Snooze function
- Mains or battery operated (batteries not included)
- Weight: 1.5kg
- Dimensions: 31 x 7 x 27cm
- 1 year warranty
- Available in Black and Cream.

WINCHESTER

Tune into the '50s.

The GPO Winchester is a classy lady. Straight out of the glorious '50s, she has a love for the golden age of radio. Yet she also has a grip firmly on modern times: Underneath that classic wooden body and woven cloth speaker grill there is transistor technology and a back lit display. The Winchester can easily take pride of place in your home, with smooth control on the dials tuning in to your favourite station is even easier than before, so make sure she receives the attention she deserves.

Features:

- MW/FM reception
- Backlit display
- Easy turning analogue tuning and volume controls
- Stands on four feet
- Weight: 2kg
- Dimensions: 19.5 x 16 x 13cm
- 1 year warranty.

WESTWOOD SPEAKER

The Westwood speaker is a compact and stylish speaker system with Bluetooth technology enabling you to play music from your smartphone or MP3 player.

The Westwood can also be used to boost the sound of your GPO record player, offering an additional 25 watts of sound with Bass and Treble dials, giving you total control of your sound.

With a vintage cloth style grill, polished metal corner protectors and carry handle you can take it on your travels or have it as a cool looking centrepiece in your room. Why not complete your own collection? Mix and match any of the GPO range with these co-ordinating speakers and you'll be sure to turn some heads at your next party.

Features:

- Compact size
- 25 watt output with sub-woofer
- Bluetooth connectivity
- Multimedia connection through Bluetooth, RCA input and 3.5mm aux in
- Bass, Treble and volume controls
- Vintage cloth style grill, carry handle and metal corner protectors
- Great addition to the GPO turntables or use individually for playback from Bluetooth enabled media devices
- Weight: 1.8kg
- Dimensions: 26 x 11 x 17.5cm
- 1 year warranty
- Available in Vintage Brown, Pillar-Box Red, Sky Blue, Jet Black, Apple Green and Cream and Tan.

WESTWOOD MINI

Our retro styled speaker has a little brother.

The GPO Westwood Mini is more compact than its older sibling, which also has a built in rechargeable battery that once fully charged can provide up to 5 hours playback time. It has all of the same Bluetooth technology and more, with the same retro finish too! The Westwood Mini is compatible with the full GPO range offering an additional 10 watts of sound with Bass and Treble dials, giving you total control of your sound.

Features:

- 2x 5 watt output Speakers
- Small compact size unit
- Battery charging time: 4-5 hours (empty to full)
- Multimedia connection through Bluetooth, RCA input and 3.5mm aux in
- Bass, Treble and volume controls
- Vintage cloth style grill, carry handle and metal corner protectors
- Great addition to the GPO turntables or use individually for playback from Bluetooth enabled media devices
- Weight: 0.8kg
- Dimensions: 9 x 18 x 11cm
- 1 year warranty
- Available in Vintage Brown, Pillar-Box Red and Jet Black.

746 ROTARY TELEPHONE

Form, function and simplicity. The GPO 746 is a telephone that likes both form and function.

This is a telephone that prides itself on its simplicity. No fuss, no fanfare, no drama. Homeowners loved the GPO 746 in the '70s and our updated design perfectly echoes its no-nonsense style.

The traditional bell ring is a rush of nostalgia and the rotary design completes the classic British finish. Working perfectly with modern telephone exchanges, the GPO 746 is the ideal partnership of retro and contemporary.

Features:

- Iconic British '70s styling
- Traditional bell ring
- Rotary dialling mechanism
- Touch tone
- Compatible with any standard landline
- Compatible with modern telephone banking
- 1 year warranty
- Available in Red, Black, Ivory, Blue, Grey, Mint Green, Orange, Mustard and new for summer Bronze.

746 PUSH BUTTON TELEPHONE

Remember this little '70s number?

This telephone design was the final version of the GPO 746, one of the most popular telephones ever designed. It was released in this format when STD dialling was widespread in each UK home and business. This model was so popular and in demand because it was GPO's standard rental telephone, until the telephone network was privatised. It's fair to say, at one point, every home in the country had a GPO 746. A slice of British history.

Features:

- Traditional bell ring
- Push-button dialling
- Touch tone
- Compatible with any standard landline
- Compatible with modern telephone banking
- 1 year warranty
- Available in Red, Black and Ivory.

746 WALL TELEPHONE

Having spotted the handset on American TV shows, British families wanted one of their own.

This replica of the classic GPO 746 Wallphone is easily fixed to the wall and is the ideal addition to any home or business. There's even an extra-long handset curly cord so you can circle the room as you're taking a call.

Features:

- Wall mountable
- Push-button dialling
- Compatible with modern telephone banking
- Traditional bell ring with on/off switch
- Compatible with any standard landline
- Extra-long handset curly cord
- 1 year warranty
- Available in Red, Black and Ivory.

CARRINGTON

Meet the GPO Carrington. A suave but contemporary, classic design, this British telephone has just the right amount of 1920s decor, combined with modern technology.

The design is based on the vintage Bakelite telephone and features push-button dialling, a pull-out pad tray (originally used for keeping notes of exchange numbers) and authentic bell ring. The Carrington works on any standard home telephone line.

Features:

- Classic early 20th century design
- Made from quality strong plastics
- Pull-out note-pad tray
- Compatible with any standard landline
- Compatible with modern telephone banking
- Push-button dialling
- Touch tone Ringer on/off switch
- Traditional bell ring
- 1 year warranty
- Available in Black, Red and Ivory.

DUKE

Bring a piece of the past right back into the present!

The GPO Duke is clearly a telephone who likes the finer things in life. He might look and feel like he stepped straight from the early twentieth century but don't let his classic design fool you; he's a modern gentleman. The Duke possesses traditional features such as a pull-out note-tray, solid brass finish and cloth handset curly cord and also works on all modern telephone lines.

Features:

- Traditional bell ring
- Classic early 20th century design
- Pull-out note-pad tray
- Push-button dialling
- Touch tone
- Compatible with any standard landline
- Compatible with modern telephone banking
- Last number redial function
- Solid brass finish
- Traditional cloth handset curly cord
- Solid, weighty construction
- 1 year warranty.

DUCHESS

Bring a little glamour into your home. The GPO Duchess is regal. She prides herself on her classic shape and design.

She loves her brass finish and traditional cloth handset curly cord. Yet she fits in nicely with the modern world by being compatible with any telephone network. Lovingly designed in-house by GPO, the Duchess might have high standards, but she's the ideal accompaniment to any room.

Features:

- Classic 20th century design
- Traditional cloth handset curly cord
- Made from high quality materials
- Compatible with any standard landline
- Compatible with modern telephone banking
- Push-button dialling
- Touch tone
- Ringer on/off switch
- Brass finish
- Last number re-dial function
- Solid, weighty construction
- 1 year warranty.

PEARL & OPAL

The precious stones in our GPO collection.

Meet the GPO Pearl and GPO Opal. Designed to sit next to your bed, they are perfect for long, girly chats. They're chic, stylish and modern, possessing feminine charm. Both are classic British designs but are fitted with modern technology so they work on any standard home telephone line.

Features:

- Classic early 20th century design
- Made from quality strong plastics
- Compatible with any standard landline
- Push-button dialling
- Compatible with modern telephone banking
- Touch tone
- Ringer on/off switch
- 1 year warranty
- The GPO Opal comes in a Silver and Cream finish.

UNION JACK TELEPHONE

There's nothing better than a retro classic walking hand in hand with cutting edge design.

This limited edition Great British telephone is exclusively made by GPO. Featuring the regal Union Jack design this is a fun and fully functioning telephone. It's ready to plug and will work with any modern telephone network.

Features:

- Modern electronic ring
- Push-button dialling for convenience and speed
- Compatible with any standard landline
- Touch tone
- Ringer on/off switch
- 1 year warranty.

GPO 200

Own a British rotary design classic!

The vintage Bakelite design is traditional in its truest form. This re-design is inspired by the classic and features an authentic finish with a metal base and handset, traditional cloth handset curly cord and rotary dial. Enjoy the authentic bell ringer, or use the switch to turn it off for when you need a little peace.

Features:

- Metal base and handset
- Traditional cloth handset curly cord
- Solid, weighty construction
- Traditional rotary dialling
- Traditional bell ring
- Retro dial template for telephone number
- Touch tone
- Compatible with modern telephone banking
- Ringer on/off switch
- Compatible with any standard landline
- 1 year warranty
- Available in Black and Copper.

VINYL CASES

We've got your vinyl needs covered.

Looking for somewhere to store your vinyl? Look no further than the GPO Vinyl Case 12" and 7". When you love your records you want to make sure they stay in mint condition; more than anything else they sound better that way! That's exactly why we made this box. It has a removable lid, with retro metal corner protectors to keep your collection fully protected.

7" Features:

- Comfortably holds 20-25 records
- Available in Red, Brown, Black, Blue and Green.

12" Features:

- Comfortably holds 30-35 records
- Detachable lid
- Available in Red, Brown, Black, Blue, Green and Cream & Tan.

ACCESSORIES

Take your vinyl on the road

Keep your vinyl safe while you're on the move with GPO's new record bag.

Designed with a two tone finish, this cream and tan record bag can not only store up to 20 of your favourite albums, its durable padded base will also ensure the safety of your vinyls. The GPO Record Bag also comes with a magnetic secure and Velcro for extra security.

Measuring 32.5 x 33 x 7.5 cm, GPO's new record bag also features two small pockets on the front with a zipped pocket in the back and a pen holder.

Needles

Replacement stylus for the GPO Jam, GPO Empire, GPO Memphis, GPO Jive, GPO Stylo and GPO Attaché.

GPO Vinyl Cleaning Kit

Keep the sound as fresh as possible.

For vinyl lovers and collectors, GPO's vinyl cleaning kit is designed to keep your records in mint condition.

A vinyl cleaning pad with a solid wood handle, this kit offers a soft and gentle clean with thorough results. All dust, dirt and other particles will be lifted from even inside the grooves.

The water based cleaning product can be spread easily across the record, and just as easily removed. This solution will keep offering a deep cleanse every time, to bring your vinyl back to life.
