RETRACTABLE HEADPHONES DESIGNED SPECIFICALLY FOR KIDS

The ReTrak Animalz retractable headphones were designed to be safe for little ears with volume limiting technology not to exceed 85 db. Parents can relax knowing their children's ears are safe with ReTrak's Animalz headphones. Manufactured with high quality components and a built-in retractable cable, this tangle-free headphone solution is built to last with kids in mind.

- Safe for Children
- Max Volume Level 85 Decibels
- One-way Retractable Cord
- Animalz 24 Count Display
- 47" H x 17"W x 12"D
