WORLD'S FIRST SMART FINGERPRINT PADLOCK

Tapplock one

For mid-aged, sophisticated, functionality focused

tapp

Core features

Cutting-edge fingerprint technology

- Unlocks in 0.8 seconds
- Stores up to 500 fingerprints
- Adaptive algorithm: faster and more accurate access each time you use it

Shareable wireless access

- Supports wireless Bluetooth access via the Tapplock app.
- Share & control access remotely to unlimited users,
- View access history with time and location.

Water and weather resistant

- Water resistant up to IP66
- Rust-proof & rain-proof
- Fully functional between -10C and 60C

Tapp

Rechargeable battery

- Up to one year battery life per 2 hours charge time
- Check remaining power using the Tapplock app

Unbreakable durability

- Zamak 3 zinc alloy metal body with cut-resistant stainless steel shackle
- Double-layered design with anti-shim and anti-pry capabilities makes Tapplock virtually unbreakable

Morse code backup access

- Setup morse code access using the power button in case a user's fingerprint isn't enrolled and the phone ran out of batteries.

Tapplock app

Manage everything on your phone

The Tapplock app enables you to unlock your Tapplock wirelessly, share access with friends, manage fingerprints, and view access history.

Product advantages

Targeting mid-aged, sophisticated, functionality focused
