

FLASH PRO PLUS

WORLD'S MOST POWERFUL GRAPHENE POWERBANK

Portable and durable graphene powerbank for charging all your USB devices including Macbooks, iPads, and iPhones.

With fast charging USB-C 100W output and MagSafe compatibility, it's the perfect solution for Apple users who want to simplify their charging needs

The OLED screen displays charging speed and battery percentage, while its durable and compact design makes it perfect for on-the-go charging.

FEATURES:

25000MAH BATTERY CAPACITY:

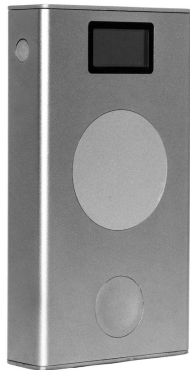

Charge all your USB devices ranging from laptops and tablets to mobile phones

PASS THROUGH CHARGING:

Charge both your devices and the power bank simultaneously

1.3" OLED DISPLAY:

Shows the battery percentage, power output from each port in Watts and Amps, and operating temperature in real-time giving you a comprehensive view of the power bank and device's performance

APPLE WATCH CHARGER:

Up to 5W to provide reliable charging for your Apple Watch

AIRLINE SAFE:

Approved by TSA/EASA for safe use during air travel

MAGSAFE COMPATIBLE CHARGER:

Magnetic wireless charger supports up to 15W charging power to iPhone devices

SUPER FAST RECHARGING:

Recharges from 0% to 100% in just 70 minutes with 100W power input

CHARGE 6 DEVICES SIMULTANEOUSLY:

190 total power output with 3 x USB-C ports + 1 x USB-A port + 1 x wireless charger + 1 x Apple Watch wireless charger

PRODUCT SPECIFICATIONS:

Capacity: 25000mAh / 92.5Wh

100W USB-C Power Delivery 3.0 Input: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3A, 20V/5A (PPS: 3.3-6V/5A, 3.3-11V/5A)
